Our Core Values and Vision

As a proudly 100% black South African-owned company, Vulindlela Wholesale Pty Ltd is committed to excellence, innovation, and ethical business practices. Our vision is to be a pioneering force in the energy sector, dedicated to offering reliable and sustainable energy solutions that drive economic growth and environmental responsibility.

Directors

Our esteemed directors are Vishnoo Govinder and Nevedhna Ramroop, who provide invaluable leadership and expertise to our operations.

Quality Assurance

We source our petroleum products from leading refining wholesalers, including Puma Energy, Total South Africa, BP South Africa, Shell South Africa, Aston Energy, and Sasol. Our commitment to quality ensures that all products meet the stringent standards set by the South African Bureau of Standards (SABS).

Products and Services

- **Diesel (all grades):** We offer Diesel 50 PPM, Diesel 500 PPM, and Diesel 10 PPM, tailored to meet the demands of modern engines while minimizing emissions.
- **Petrol (all grades):** Our range of unleaded petrol meets the varying requirements of vehicles with different compression ratios.
- **Jet Fuel:** We supply Jet A and Jet A-1 fuels, meeting international specifications and ensuring the safety and efficiency of aircraft.
- **Liquid Petroleum Gas (LPG):** Our LPG serves as a cleaner and more efficient alternative for household cooking, commercial kitchens, and industrial applications.
- **Illuminating Paraffin:** Known as kerosene, this product provides reliable lighting, cooking, and heating solutions.
- **Lubricants:** Our range of lubricants enhances machinery and equipment performance by reducing friction and wear.

Empowerment and Commitment

As a Historically Disadvantaged South African (HDSA) company, we prioritize capacity building and support for HDSA employees within our ranks. We extend mentorship to other small, medium, and micro enterprises (SMMEs), fostering growth and sustainability.
